BUILDING A COMMUNITY OF ACHIEVERS

JAJOO INTERNATIONAL SCHOOL

Welcome to...

JAJOO INTERNATIONAL SCHOOL

School Overview :

Inspired to transform your child's future, we proudly stand as '**Jajoo International School**' in Yavatmal. An Integrated Curriculum with International Amenities, which promote independent and creative understanding among the future generations. We aim to teach our students the philosophy - “Harness Your Passion” and empower them to build their confidence, spirituality, leadership skills and sense of self.

Whether innovating in our STEM labs, debating in the classroom, dancing on the stage, winning or losing on the playgrounds, or learning a new world language, we encourage our students to sharpen their critical thinking skills, collaborate with others, and strengthen their overall holistic development.

At Jajoo International School, our teachers inculcate strong moral values child can follow throughout their life. By understanding their true potential and passion, we provide the right guidance to help them grow.

| CHAIRMAN |
Mr. Prakash Jajoo

“The aim of education is the knowledge not of facts but of values”

Our beloved Babuji Late Shri Harikisanji Jajoo the founder of Harikisan Jajoo Education Sanstha (HJES) had a vision to develop each individual in to a well-rounded, confident and responsible citizen for future. He believed to do this by providing a welcoming, happy, safe and supportive learning environment in which everyone is equal and all achievements are celebrated.

We at HJES intend to provide an environment where children can "Do and Learn." We wish to give our children wings to fly.

Our goal is to support and nurture the child's desire to be lifelong learners.

We are committed to the families we serve, providing support and encouragement.

We nurture them to become an young, independent adult. We believe HJES should be known as the child's second home.

They should proudly say '**I am a member of HJES**'.

“Education goes beyond knowledge...It is a journey of life.”

Every child deserves an education that fosters academic excellence and all-round development, and ensures their well-being. The core purpose of education is to provide children with a learning environment which brings out the best in them.

At JIS, we provide a learning environment that inspires and motivates children, and encourages them to explore limitless possibilities in their quest for knowledge.

I warmly invite you to explore JIS as we re-dedicate ourselves every day, to impart the very best education to young minds.

| SECRETARY |
Mr. Aashish Jajoo

As we say, "***Harness Your Passion***".

Passion which is indispensable for learning and teaching, facilitates learning through desire and creates enthusiasm.

Our educational model is an International school with an Indian mind, an Indian heart and an Indian soul. All these inspire us to continue to do our best, in preparing children for the 21st century.

The dedicated team of Caring and Committed teachers is our pillar of strength which make learning enjoyable and rewarding.

Our Excellent Educational Programme is complemented by State-of-the Art facilities and resources, and our focus on sports and co-curricular opportunities facilitates child's holistic education.

Our overarching goal is to make JIS a happy school, where **teaching is a pleasure and learning is a joy**; where learning and excelling is a passion, and culture and values have a pre-eminent place.

| PRINCIPAL |
Mrs. Shilpa Jajoo.

Jajoo International School is working with a vision to impart best-of-its kind, disruptive education and ensure holistic development of student. Inspired by the experiences into the Legacy of giving education, we proudly stand as the 'Jajoo International School' in Yavatmal to adopt the Integrated World – class Curriculum with International Amenities which promotes independent and creative thought among the future generations. By this, the student march towards excellence and improve not only the physical, mental but also the emotional and social abilities so that they are capable to face the challenges of everyday and future life.

We have developed Student – Centric Culture as we understand that every student is unique, and the way they learn vary incredibly. We follow a system of education where we ensure the guaranteed learning of student with personal attention to every student which only can guarantee the result. We provide co-scholastic training to our students without compromising the curriculum content.

The concepts are organized and imparted in a manner which facilitates multicultural awareness and creative expression.

Our personalized Physical Education programme fosters to crave a fit and healthy body and allows students to follow their passion and excel it. At the heart of our school lie the practice of Mind and Heart.

At JIS, we see student not only as confident, honest, disciplined, intellectually competent and sensitive to the ethos of modern society but also spiritually persevering and emotionally sound.

Welcome to Jajoo International School, ***“Where Learning Lives and Leaders Grow”***

Mission

We aspire to empower young minds to make a difference in this world. We aim to curate academic elements for the overall development of the physical, mental, and moral platforms and facilitate multicultural awareness and creative expression. With our programs, we strive to foster students to follow their passion and excel in it. With the practice of Mind and Heart, the virtues of integrity, compassion, and empathy are woven into the entire fabric of the Jajoo International School.

Vision

Jajoo International School intends to impart academic excellence as well as ensure the holistic development of every student so that they can adapt to the rapidly evolving future with intellectual competence and sound character. Facilitated by passionate educators, we endeavor to help students transform their mind, body, and spirit and emerge as productive global citizens.

Our Ethos

We aim to meet the scholastic needs along with the physical and moral requirement of our students. We aspire to provide them with opportunities essential to realize their full potential. We ensure child's spiritual, moral, social, and cultural understanding through our teaching program by inculcating the values of Wisdom, Multiculture, Integrity, Compassion and Empathy.

Holistic Development

The compass on our logo, itself indicates the assurance of a child's 360° degree development at JIS

➤ Knowledge/ Importance of Education:

Whole purpose of education is to turn mirrors into windows. School is the primary guide for children to educate. It offers them the ability to learn about different fields of education.

➤ Creativity:

I hear and I forget. I see and I remember. I do and I understand.

➤ Positive Interaction:

In schools, children learn how to interact. There, they learn about how to build healthy & positive relationships.

➤ Mental health:

School plays a vital role in enhancing greater self-acceptance, increased self-esteem, improved self-expression and management of emotions.

➤ Social Aspect:

School helps the child to develop habits, skills, and mindsets that build students social, emotional and academic competence.

➤ Widening Horizons:

From early on, children are often exposed to different nationalities helping to shape their view point of the world around them.

➤ Character Building:

From the very beginning, just as the school provides lessons on reading, writing as well as arithmetic, it also focuses on helping kids learn about respect, love, integrity & compassion.

Curriculum

- JIS is powered with LEAD School as an Academic Partner. We both together aim to revolutionize every child's learning experience and empower teachers, parents and all to work towards a unified goal of achieving excellent learning for students.
- The Integrated system of school education is the perfect blend of World class curriculum, pedagogy and Innovative technology. It is a complete system of learning and teaching to help every child excel. We believe learning happens at individual level so we begin from where the student is today
- The Personalized Learning to every child.
- The curriculum ensures Guaranteed Learning Outcomes by transforming the traditional Teach-Test-Report learning process with minimum 70% Mastery Guaranteed.
- The Curriculum is conducted in a much defined manner starting with Pre Assessment followed by Teacher Upskilling, Multimodal Teaching, Periodic testing and Remediation which makes the system more robust and excellent.
- The curriculum is an amalgamation of various programs, innovative and approved teaching methodologies.

ELGA:

- A level based Program that challenges the English Language Skill of the student amongst one of those.
- The program is Inspired from Singapore Education system and customized as per NCERT. Students learn English as a skill and not as a subject. Students are

taught using Phonics, Whole Words, Reading and Listening Comprehension, Grammar, Writing and Speaking expression. The program ensures 1.5 year growth per year in English

CCS:

- Another gem in the crown of Curriculum is introduction of Coding and Computation Skills (CCS) from Grade 1. This is the first-of-its-kind comprehensive curriculum in India that enables all students to use computers and Technology easily and confidently.
- Pedagogy through Use - Think - build approach to make students future ready and creative problem solver.
- No need of an extra certificate for computer.

JIS Integrated curriculum offers -

- Game design & Basic App development
- Advance Game Development and UI / UX Design
- Database and API integration in Apps.
- Artificial Intelligence based Applications
- Data Science and interpreting

Your Child will Learn not in Class, But:

C - Creative Thinking

L - Logic

A - Algorithmic Thinking

S - Structure

S - Sequencing

Activity-based learning

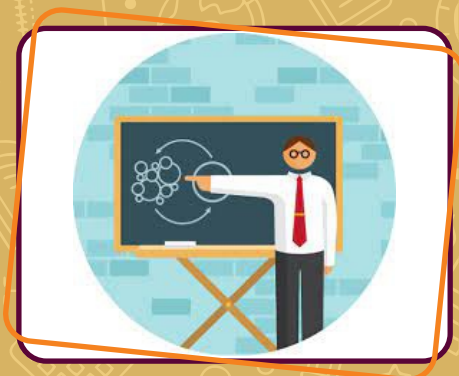

Co-curricular & Extra-curricular activities

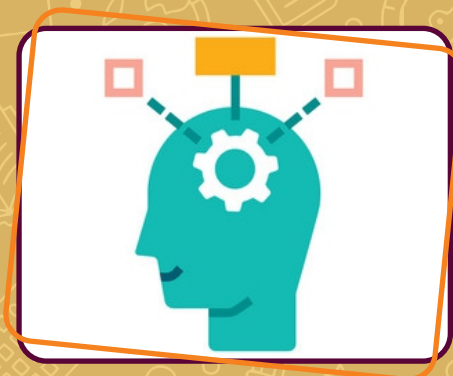

Physical Fitness Program

Excellent Comprehensive Curriculum

Personalized learning program

Critical thinking skills

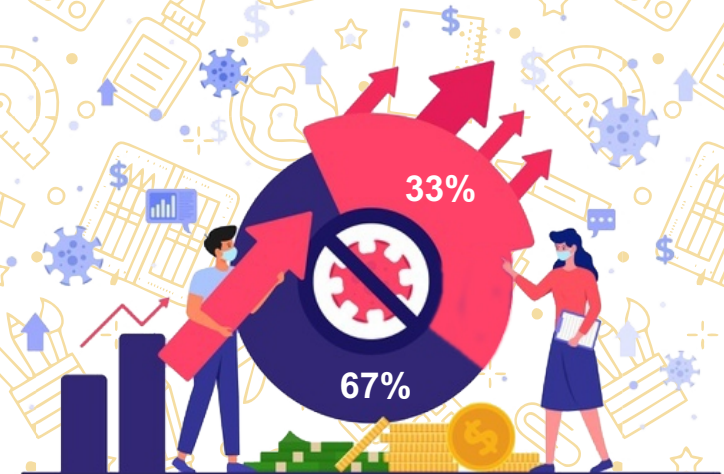

Only 33% of students can understand the textbook or lecture - based learning.

So, what about the remaining 67% of students ?

With extensive research, we at Jajoo International School have brought a paradigm shift in the learning methodologies for the students.

These methodologies are interactive and innovative learning techniques which assure the guaranteed and excellent result for every child.

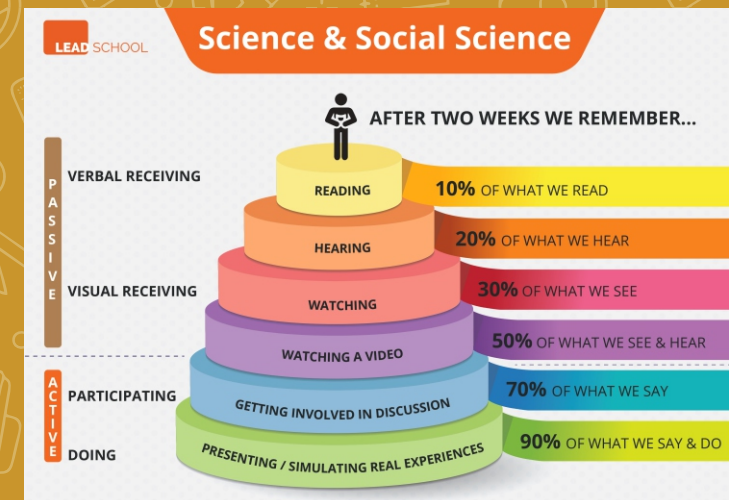

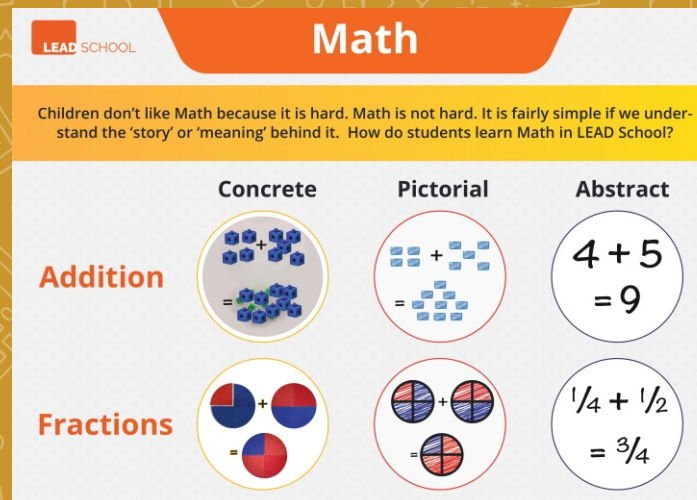

FOUR MAJOR FOUNDATION PILLARS FOR WORLD-CLASS CURRICULUM

- Teacher Tab to monitor the student's attendance, the lesson plans, assessments, and reports.
- Books and Workbooks designed for effective learning and understanding.
- School ERP to monitor students' and teacher's progress.
- Parent App to provide the overall information of the student's progress.

OUR INNOVATIVE LEARNING APPROACH

- Learning-by-doing approach (LBD): Approach for Science
- Concrete-pictorial-abstract approach (CPA): Approach for Maths
- Visualize-locate-connect approach (VLC): Approach for Social Science

AN UNRIVALLED CAMPUS AMENITIES-
